FLOOR DEBATE

April 17, 2002 LB 729, 1303

SENATOR CUDABACK: Back to discussion of the bill itself, Senator Chambers.

SENATOR CHAMBERS: Mr. President, members of the Legislature, I want to express again my appreciation for the way Senators Synowiecki and Bromm worked on that previous amendment, the way Senator Bromm has dealt with this entire issue, because it is not an easy one. But I'd also like to point out that even when somebody is eng...is engaging in extended debate and has some brains working, there are worthwhile things that take place along the way. However, I think I'm going to allow myself to sink to the level of what happened last night and just be as boring and dull and lacking in imagination and sense as I can based on my particular disposition. I am going to support this bill the rest of the way across and I have no additional amendments. Thank you, Mr. President.

SENATOR CUDABACK: The question for the body is advancement of LB 1303. All in favor say aye. All opposed no. It is advanced. Mr. Clerk.

CLERK: Mr. President, the next bill, LB 729, I have Enrollment and Review amendments, first of all, Senator. (AM7205, Legislative Journal page 1126.)
